

GP 60

PRODUCT TYPE: GENERAL PURPOSE

RECOMMENDED FOR: Durable and flexible hose for general air and hot-water-wash-down applications. Also for general industrial applications such as oil and hydraulic fluids, alcohols and aqueous solutions.

RESISTANT TO: Oil and abrasion.

CONSTRUCTION:

SHAPE: Straight

TUBE: Nitrile (NBR)

REINFORCEMENT: Textile Cord

WIRE: -

COVER: NBR/PVC

STANDARDS:

SAE NORM -

DIN NORM -

TEMPERATURE:

-40° 100° -
