

GP 80

PRODUCT TYPE: GENERAL PURPOSE

RECOMMENDED FOR: Durable hose for general industrial applications such as oil, hydraulic fluids, alcohols, aqueous solutions, acids detergents and chemicals.

RESISTANT TO: Oil, abrasion, weathering and ozone. Static conductive for increased safety.

CONSTRUCTION:

SHAPE: Straight

TUBE: Nitrile (NBR)

REINFORCEMENT: Textile Cord

WIRE: -

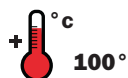

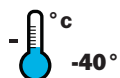

COVER: NBR/PVC

STANDARDS:

SAE NORM -

DIN NORM -
